MS. DETRAZ: Marjory Detraz from Alamo, Nevada.

1 [You know we were talking about Senator Murkowski and Senator Craig. Let me just -- I didn't mean to miss this, but I did. Murkowski and Craig spoke recently -- this was written by the Las Vegas Sun. "Murkowski and Craig spoke recently with the Sun in separate interviews. Together they received more than \$140,000.00 from nuclear industry related political action committees between 1994 and 1986." Thank you.]
